---

## FULL STACK DEVELOPER

Motivated and detail-oriented Full Stack Developer with a strong command of front-end technologies including HTML, CSS, JavaScript, and React.js. Skilled in designing responsive and user-friendly interfaces. Possess a basic understanding of back-end development with experience in the MERN stack (MongoDB, Express.js, React.js, Node.js). Eager to build real-world web applications and continuously learn new technologies to become a proficient full-stack developer.

---

## INTERNSHIP

Web Development Intern

Code Alpha (Remote) – June 2025 to July 2025

- Built responsive front-end projects using HTML, CSS, and JavaScript including a Calculator App and Age Calculator.
  - Collaborated in a team environment to meet weekly deadlines and apply version control with Git.
  - Gained hands-on experience in real-world UI/UX practices and code deployment.
- 

## PROJECTS

### PORTFOLIO

Developed a personal portfolio website to showcase projects and skills using HTML, CSS, and JavaScript.

- Designed a clean, professional layout with sections for About, Projects, Skills, and Contact.
- Implemented responsive design and smooth navigation using CSS Flexbox and media queries.
- <https://github.com/Uday17933/Portfolio>

## ROCK PAPER SCISSOR GAME

Created a browser-based Rock Paper Scissor game where the player competes against the computer.

- Implemented game logic using JavaScript including random choice generation and win/loss tracking.
- Utilized DOM manipulation to update game results dynamically.
